Juniors Tennis Programs

From 2012, the ITF (International Tennis Federation) Rules of Tennis state that competition for players aged 10-and-under must be played with slower Red, Orange and Green balls on the appropriately sized courts. The traditional Yellow ball will not be permitted.

All NSWC 10 and under tennis

programs will be using this "Progressive Tennis" format.

Progressive Tennis is a recognized international format that teaches tennis in a fun and interactive way by using tennis balls, racquets, nets, and courts that are scaled to match the size and age of the players. This format provides young players with optimal challenge and success: skills can be learned faster, rallies can be enjoyed sooner, tactical practice is well facilitated, and the transition to full court can be made easier!

RED, ORANGE, AND GREEN programs have been split into two pathways: a PERFORMANCE pathway and a HIGH PERFORMANCE pathway.

Red Ball (Ages: 6 yrs to 7 yrs)

Red Ball Tennis provides a great way to get the younger player started in a "lifetime sport". Develop the ABC's (agility, balance, coordination) of fundamental movement skills and basic tennis skills (technical and tactical) through cooperative activities. Also this course will include teaching players the rules of the game and scoring for 1/2 court (RED court).

Bryn will be teaching dance classes in our Multi Sport camps throughout the summer. She looks forward to dancing with all the Multisport kids each week! If you have a group of four or more kids looking for a dance camp with Bryn, please contact her directly and she will look into her personal schedule as well as studio availability.

Please contact Bryn directly for private lessons, solo/duo/trio choreography, special event choreography, dance birthday parties, or any other special dance requests you may have at brynasmussen@shaw.ca.
