## **NSWC 2019 VOLUNTEER AWARD**

***Help us recognize the Members who are truly  
the heart and soul of our Club.***

Each year we seek your help in determining which of our many members will be the recipient of this Award in recognition of outstanding volunteer service to the Club.

### **Background**

This award is presented to the individual member(s) who made a significant contribution to the Club. There are many people who work diligently behind the scenes to give life to many of the programs offered at NSWC, and who do not always receive their due recognition. This award would attempt to recognize these people who are truly the heart and soul of any Club.

### **The Winner**

- Must be an individual adult member, a couple or a family, in good standing.
- Could also be a group of individuals, each to be named.

### **Exclusions**

- Members of the current Board of Directors are exempt from nomination.

### **The Selection Process**

- Nominations will be solicited from the members at large, committees, activity groups, and the Board of Directors.
- Nominations will be reviewed and screened by Management, and their recommendations presented to the Board for discussion and input where a final nominee will be chosen.
- If no deserving nominations are received in any year, the award may be postponed.
- Award will be presented at the Volunteer Recognition Award Night on June 18, 2019.
- The recipient's name will be added to the Volunteer Recognition plaque and displayed in the Main Lobby.

**SUBMISSIONS MUST BE RECEIVED BY JUNE 10, 2019.**

**Please drop off at Member Services.**
