Entry to the NSWC

- All individuals eligible for the COVID-19 vaccine (12 years+), must provide proof of full vaccination status.
- Only MEMBERS that are 11 years old and under are permitted entry. No guests under age 11 are permitted.

Exceptions:

- Non-member youth (21 and younger) participating in NSWC sport events and programming are NOT REQUIRED to provide proof of vaccination.

Individuals who don't qualify as fully vaccinated will only be allowed to enter in by providing a pre-entry test:

- provide proof of a COVID-19 negative molecular test result **taken within 72 hours** of your scheduled program or event **OR**
- proof of a previous positive test result taken between 14 and 180 days.

Accepted types of molecular tests

- PCR - Polymerase chain reaction.
- Nucleic acid test (NAT) or Nucleic acid amplification test (NAATs).
- Reverse transcription loop-mediated isothermal amplification (RT-LAMP).
- **Rapid antigen & self-tests** aren't accepted.

Test results (paper or electronic proof) or proof of a previous positive molecular test result taken between 14 and 180 days must include:

- Individuals name and date of birth
- Name and civic address of the laboratory/clinic/facility that administered the test
- The date on which the test was conducted
- The type of test conducted
- The test result

Thank you.
