## Procedures For Applying

The application process takes approximately 2-3 weeks to complete. All Memberships begin the 1st of each month. All membership information must be in by the 20th of each month in order to be a member for the following month. Example: For a membership to begin September 1st, all items must be in by Aug. 20th. Otherwise your membership will begin the following month.

Applicants are required to complete the NSWC Membership Application Form in full. With the submission of the completed Application Form, we also require the following items:

- Non-refundable entrance fee cheque, cash or bank draft
- A separate VOID Cheque for monthly PAP
- Photos of each applicant
- A piece of Govt ID for each applicant (ie; passport, birth certificate, DL)

All applicants require two (2) Member Proposers in good standing of the Club to provide letters of reference in support of the application.

In the event an applicant is unable to provide two (2) Member Proposers, they are then required to have an interview with Club representatives.

It is the responsibility of the applicant to provide the completed application form with the two Sponsors' letters, cheques and all above information before an application can be reviewed.

The Director of Marketing and Membership will review the application and, if considered complete, the applicant's name and application forms will go to the Membership Committee for its first approval. Following their approval, it will go to the Board of Directors for final approval. The Membership Committee meets the 3rd or 4th Monday of each month, and the Board meets the last Tuesday of each month.

The Director of Marketing and Membership will be in touch after the Membership Committee and Board Meeting to inform you of the status of your application. You will be notified of the approval of your membership in advance of the effective date. A new member welcome package will be ready for pick up on the 1st of the month.
