

U11 Integrated Tryouts

All players in U11 are mandated by Hockey Canada to follow the U11 Pathway which requires players to have four ice times that are not evaluated before the first official tryout session. These will take place from September 3rd - 6th.

Players will be assigned to groups alphabetically.

On September 10th, players will be notified which jersey color they are assigned for their final evaluation game.

Players will be assessed by evaluators during the remaining ice times, September 7th - 11th.

At the conclusion of Phase 1, players will be reassigned to their working groups, from which Phase 2 will commence.

Details pertaining to Phase 2 will be provided at a later date.

Please bring your own jersey to wear for the first four Pathway skates, as no tryout jerseys will be required given that these skates are not evaluated.
